PRIVACY POLICY

BLOOMBERG TRADEBOOK ® LLC and its Tradebook affiliates (“Bloomberg Tradebook”) respects the privacy rights of our users and is strongly committed to protecting your privacy online. This privacy policy applies to this Web site and does not apply to other products or services of Bloomberg L.P., its general and limited partners, and its subsidiaries, and their respective general partners and affiliates (collectively “Bloomberg”).

Collection and Use of Personal Information

Bloomberg Tradebook or a designated service provider collects personal information that you voluntarily provide on this Web site, which may include your name, address, e-mail address, etc. We use this information to communicate with you. Bloomberg may also provide you with information, special offers, and promotions. You may instruct Bloomberg Tradebook at any time not to use your personal information to provide you with information, special offers, or promotions by sending us an e-mail message at: jzangri@bloomberg.net. You can also update your settings for receiving offers and promotions by email by clicking here.

Please note that this opt-out process may take up to thirty (30) days to complete.

Disclosure of Personal Information

Bloomberg Tradebook may disclose your personal information to affiliates or unaffiliated third parties if we believe in good faith that such disclosure is necessary: (a) to comply with the law or in response to a subpoena, court order, or other legal process, subject to Bloomberg’s Law Enforcement Data Request Statement below; (b) to protect the interests, rights, safety, or property of Bloomberg Tradebook or others; (c) to enforce any terms of service on this Web site; (d) to provide you with the services or products requested by you (including allowing a purchaser of Bloomberg Tradebook to continue to serve you), and to perform other activities related to such services and products, including billing and collection; (e) to provide you with information, special offers, or promotions from Bloomberg Tradebook to which you consented; or (f) to operate Bloomberg Tradebook’s systems properly. Bloomberg Tradebook makes reasonable efforts to limit its designated service providers’ disclosure of your personal information in the same manner as set forth in this paragraph.

Accuracy and Security of Personal Information

Any personal information you provide to Bloomberg Tradebook is kept on secure servers. Bloomberg Tradebook uses reasonable administrative, technical, personnel, and physical measures (a) to safeguard personal information against loss, theft, unauthorized use, disclosure, or modification; and (b) to ensure the integrity of the personal information.

Bloomberg Tradebook

Use of Cookies

Bloomberg Tradebook or a designated service provider may use "cookies" or similar electronic tools to collect information, such as the IP address of your computer, to enhance your experience with this Web site. A cookie is a small text file that is placed on your computer and which collects information about your use of this Web site, such as the Web pages visited, the date and the time of a visit, the Web sites you visited immediately before and after visiting this Web site, etc. Any information collected by the cookies used by Bloomberg Tradebook will be collected anonymously and will not be used by Bloomberg Tradebook to subsequently identify you or to prepare the collection, processing, or use of personal information about you without your prior consent. Bloomberg Tradebook makes reasonable efforts to limit its designated service providers' use of cookies or similar electronic tools in the same manner as set forth in this paragraph.

Most browsers are set to accept cookies by default. If you prefer, you can usually set your browser to disable cookies, or to alert you when cookies are being sent. The help function on most browsers contains instructions on how to set your browser to notify you before accepting cookies or to disable cookies entirely.

However, it is possible that some parts of this Web site will not function properly if you disable cookies.

Accessing and Updating Your Personal Information

To access, review, rectify, or delete personal information collected about you via this Web site, please send us an e-mail message at: jzangri@bloomberg.net. All requests must include the following information: first name, last name, and e-mail address. While Bloomberg Tradebook will make reasonable efforts to accommodate your request, we also reserve the right to impose certain restrictions and requirements on such access requests, if allowed or required by applicable laws.

Transfer of Personal Information To Other Countries

Some of the uses and disclosures mentioned in this privacy policy may involve the transfer of your personal information to various countries around the world. By submitting your personal information via this Web site, you consent to such transfers. Bloomberg's Intra-Group Personal Data Protection Statement below provides additional information about the transfer of personal information from the EU, EEA, and Switzerland to the United States.

Links To Third-Party Web Sites

Bloomberg Tradebook may provide links to third-party Web sites. Since we do not control third-party sites and are not responsible for any personal information you may provide while on such sites, we encourage you to read the privacy policies on those Web sites before providing any of your personal information on such sites.

LAW ENFORCEMENT DATA REQUEST STATEMENT

Bloomberg will not disclose client data (which may include personal information, together “client data”) in response to requests from law enforcement, governmental, or regulatory agencies except where required to do so by law (for example, in response to valid and properly-served legal process such as a subpoena or search warrant). Bloomberg will attempt to notify its client prior to disclosing client data unless: (1) prohibited by applicable law from doing so, or (2) there are clear indications of unlawful conduct in connection with the client’s use of Bloomberg services. Notwithstanding any of the foregoing, Bloomberg reserves the right to respond to urgent law enforcement requests if Bloomberg believes in good faith that an emergency involving imminent danger of death or serious physical injury justifies such disclosure.

INTRA-GROUP PERSONAL DATA PROTECTION STATEMENT

Intra-Group Personal Data Protection Statement

January 28, 2016

Bloomberg L.P. and its affiliates (“Bloomberg”) are committed to compliance with their privacy obligations in the United States and throughout the world. This Intra-Group Personal Data Protection Statement (“Statement”) sets out the privacy principles Bloomberg follows with respect to personal information that it transfers from the European Union, European Economic Area, and Switzerland (collectively, “EU”) to the United States (“U.S.”).

The relevant Bloomberg group companies have entered into an Intra-Group Personal Data Protection Agreement (“IGA”) in order to ensure that responsibility for personal information transferred from the EU to the U.S. is clearly identified. The parties to the IGA are considered as data controllers, or data controller and data processor under applicable law.

As relevant Bloomberg companies are located in the U.S., the group companies involved in the processing shall be known as a Data Exporter and a Data Importer respectively, although there may be more than one company involved in the processing of personal information.

The IGA incorporates unchanged EU Commission Standard Contractual Clauses for controller to controller, and controller to processor transfers, and the relevant Data Exporter and Data Importer will abide by these EU Commission Standard Contractual Clauses where personal information is transferred to or accessed from Bloomberg group companies in the U.S.

Contact Information

Questions or comments regarding this Statement should be submitted to Bloomberg’s privacy director at the following address:

Assistant Chief Legal & Compliance Officer
